

Women Find Clear Skin In Simple Laxative

A sense of false modesty often prevents women from admitting that many of her ills and disorders are due primarily to constipation.

But women who know themselves have learned that headache remedies and beautifiers only cover the trouble but do not dislodge it.

What is needed is a remedy to move the bowels and stir up the torpid liver. An ever-increasing number of sensible women take a small dose of a combination of simple laxative herbs with pepsin known as Dr. Caldwell's Syrup Pepsin and sold by druggists under that name.

It will save a woman from the habitual use of headache remedies, skin lotions and similar makeshifts. Once the bowels are emptied and regulated, the headache and the pimples and blotches disappear. It is the rational, natural method.

A bottle of Syrup Pepsin lasts a family a long time, and all will find use for it from time to time. Thoughtful people are never without it in the house.

The druggist will refund your money if it fails to do as promised.

NO INCREASE

In spite of enormous increased laboratory costs due to the war the manufacturers of Dr. Caldwell's Syrup Pepsin are sacrificing their profits and absorbing the war taxes, so that this family laxative may remain at the pre-war price of 50c and \$1 a large bottle. So sold by druggists for 20 years.

**Dr. Caldwell's
SYRUP PEPSIN**
The Perfect Laxative

FREE SAMPLES—Dr. Caldwell's Syrup Pepsin is the largest selling liquid laxative in America. If you have never used it, send your address for a free trial bottle to Dr. W. B. Caldwell, 405 Washington St., Monticello, Ill. If you have taken it in the family send for a copy of "The Care of the Baby."

The Village Improvement society will meet with Mrs. C. P. Kellogg Thursday evening. "Modern Inventions," Miss Maude Batchelder.

It may be interesting to those who have helped in the Red Cross work at Plainfield for the last seven months to know what has been accomplished. The work commenced the last week in July, 1917, by sending 42 housewives and 20 well filled comfort kits to the boys of companies C and H at Fort Ethan Allen, who were not provided with these articles. During the next three months material was obtained from the Red Cross rooms at Montpelier from which 126 garments—hospital shirts, pajamas, etc.—were made. Some 30 pairs of stockings and several pairs of hospital socks were knitted and returned to Montpelier, collections of money also being sent at different times to pay for the material used. Since Nov. 20, 1917, money has been raised from various entertainments, including \$46 allowed us from the Red Cross Christmas drive to purchase all yarn and material used, and on Feb. 1, 1918, there were on hand 60 pairs of woolen socks, 19 sweaters, 11 helmets, 22 pairs of wristlets, several scarfs, bandages, face cloths, etc., also 22 suits of pajamas, which the Village Improvement society purchased material to make. Each of our boys upon entering service has been given a complete outfit of the garments used and we still have outfits for 10 more boys when their call may come, besides having turned over a good supply of these articles to the new Red Cross unit formed Feb. 25, which have been forwarded to headquarters. Owing to the increased demand for Red Cross supplies, it was deemed advisable to organize an independent unit instead of working as an auxiliary to the Montpelier branch, as has previously been done, and under the new unit the work will be carried on in the future. Although there are at the present time over 400 members, we hope for many more and that everyone may join in helping the good work go on.

FAYSTON

Earl Barney is sick with rheumatic fever.

P. J. and Alvin Campbell of Randolph have moved to the Murphy farm, which they have rented from M. C. Rowell.

Miss Norma Marshall of Waitsfield spent the week end with Miss May Small.

Leon Harrington is ill with the grip.
